System members were mailed a letter in September explaining an optional System proposal under consideration by the ASRS. Informational meetings took place throughout the state in October and November on this issue.

The ASRS had considered placing the issue for discussion at its November 17 Board of Trustee meeting.

However, given the insightful comments from members made at the special meetings and received via mail, the ASRS has postponed placing the issue on the November Board meeting agenda until further analysis is done.

The Optional System Proposal is now scheduled to be addressed at the December 15, 2006 Board of Trustee meeting, to be held at the ASRS Board Room, 3300 N. Central Ave., 10th floor. The meeting is scheduled to begin at 8:30 a.m.

Official agendas of the ASRS Board of Trustees are posted on the ASRS website and can be viewed on the Board and Committee section of the website, www.azasrs.gov

Interested parties are encouraged to view the agenda prior to the specific meeting to see what will be discussed at that meeting.
